

**I am visiting Blackpool Zoo
with my school!**

When I arrive I will see the car park

I will see the entrance to the zoo

Becky will register my school

My teacher will walk with me past the education academy

Some of the Wildlife Learning Team will be there to meet me

I will walk with my teacher through these green gates

I might eat my lunch here, it is called the Darwin Centre

I will see other school children enjoying time at the zoo

I will see peacocks walking along the paths

Some of the peacocks might show me their colourful feathers

I may see signs telling me how to be safe when visiting the zoo

I will see seagulls, they can be noisy

I might hear the Wildlife Learning team talking on a microphone

I may notice a smell in some exhibits

It will be fun looking at different animals

It will be fun looking at different animals

It will be fun looking at different animals

It will be fun looking at different animals

There are lots of places for me to play at the zoo. I will be safe.

**I will have a great time at
Blackpool Zoo!**
