Tell us about your day

Give us your feedback for a chance to win a free school visit! Scan the QR below to fill in the form.

Win a
FREE
school visit!

**11.00
am**

At the camel habitat

Explore the different homes animals live in all around the world! From jungles to deserts, oceans to forests, discover how animals are perfectly suited to their habitats.

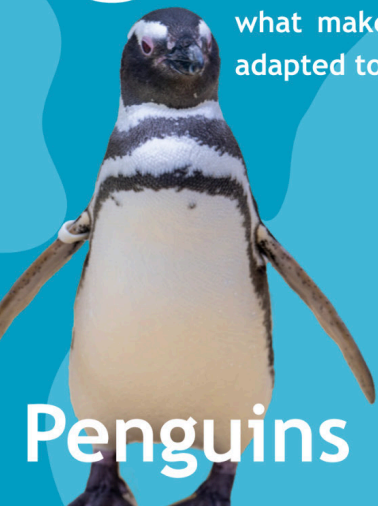

Habitats & Camels

**11.15
am**

At Penguin Cove

Waddle over and meet our penguins! Discover how these flightless birds are built for swimming, how they care for their chicks, and the challenges they face in the wild. Watch them in action and find out what makes penguins so perfectly adapted to life in the water.

Penguins

**11.30
am**

At the Active Oceans Arena

Dive into the fascinating world of sea lions! Learn how they use their flippers, how they communicate, and how their incredible swimming abilities help them survive.

Sea lions

**11.45
am**

At Orangutan Outlook

Take a journey into the heart of the rainforest and meet some of its most fascinating residents—our amazing apes. Discover how these intelligent animals live, what they eat, and why protecting their rainforest home is more important than ever.

Rainforests & Apes

**12.30
-1.00
pm**

At the Display Arena

Get hands-on with the wonders of nature! Our Discovery Box is bursting with exciting artefacts and sensory surprises — from feathers and fossils to furs, bones, and bugs. Explore textures, ask questions, and become real-life nature detectives.

Includes favourites like:

- **Show & Tell: Bugs, Bits & Bones**
- **Show & Tell: Furs, Skins & Scales**
- **Show & Tell: Feathers & Flight**
- **Sign Safari** – learn animal signs using Makaton in this inclusive interactive experience!

All participants receive a certificate!
