Personal Details:

Name:	
Pronoun:	
Preferred name:	
Date of Birth: <small>*Applicants must be aged 15-17 to participate in the course</small>	
Contact E-mail:	
Contact Number:	
Are you currently a student at an academic institution (e.g., college, university)? <i>If yes, please state which institution and course(s)</i>	

Personal Statement:

Tell us a bit more about yourself (in no more than 300 words)

--

Course Expectations:

What excites you most about participating in this course?

What skills and experience do you hope to gain by participating in this course?

How do you expect this course to help you with your career/further education?

If you were to work for one conservation project, charity or towards one goal for our planet, what would it be and why?

- I understand that this course can **not** be included as part of university or college placement hours. However, the valuable experience and knowledge I will gain on the course will benefit and support personal statements and applications.
