

KEEPER KIDS

What's happening?

10.00am: Fun on the farm

Cleaning, chopping and grooming is a great start to the day. Spruce up the enclosures and become a zoo chef. The animals will love a morning pamper session too.

Conservation carousel

Become a wildlife detective! See if you can identify some of the weird and wonderful animals and artefacts that live in the Education Academy.

Sea lion school

Enjoy learning all about fish and flippers at our sea lion display. Have your burning questions ready for when you meet our trainer (and a sea lion too!).

Enrichment workshop

Create exciting puzzles and toys to keep our animals' minds active, then come face-to-face with the zoo's tallest residents!
